

# re-elect **PHEASEY** for Union Development

I'm James Pheasey, your current SU President, and I'm running to be your Union Development Officer.

2019/20 has been a turbulent academic year with unprecedented large-scale disruption. The University and the SU now face massive financial and logistical challenges as a result.

I am the only candidate that has the necessary experience to work from day one to ensure that our SU not only recovers from these issues but develops into a better Union; one which enables students to thrive in our new environment.

As your first Union Development Officer, I will work with you to develop an SU which is:

## **Effective**

- Reduced bureaucracy & simplified processes
- Improved website
- Well-purposed Portland Building & campus hubs

## **Transparent**

- Accurate and coherent governance
- Clear student-focussed finances
- Democratic and robust processes

## **Student-Led**

- Empower ARBs (SB Guild & Medical Associations)
- Integrate and platform our Student Run Services (SRSs)
- Support all Officers and Student Leaders
